

It is important for you to know that by giving us this access, we **do not** have access to your credit card information and cannot make any changes to your billing information.

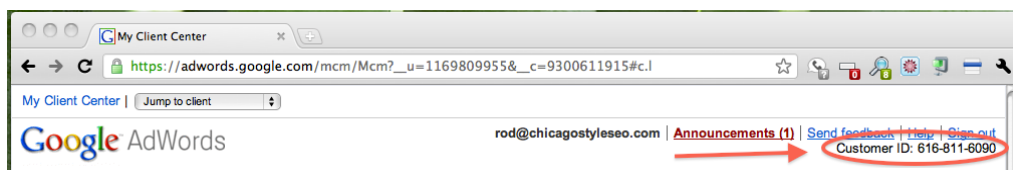

It is also important that you know that if we are only evaluating your account, we will not make any changes to the account at all. We are happy to arrange a web meeting so you can watch us do the evaluation and then you can turn off our access as soon as we are done.

We are proud to be a...

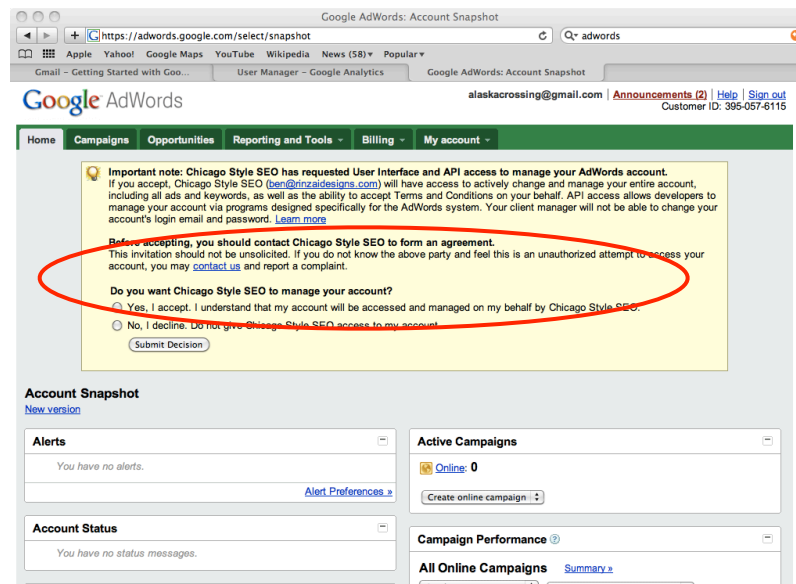

Directions

1. Log in to your AdWords account.
2. From any page in your AdWords account, copy your customer ID in the upper right corner.

3. Email the ID to us. We will use the number to request access to your account. We will email you when we are done and ask you to log back into your AdWords account.
4. Log back into your AdWords account; the below message will appear.

Make sure to click on the “Yes, I accept. I understand that my account will be accessed and managed on my behalf by...”

5. Email us and let us know that you have given us access. **You can turn it off at any time.**
6. If we are evaluating your AdWords account, we will suggest you remove our access when we send the evaluation to you.
